

Updated Policy:

Deposit: Due to an influx in no-shows and last minute cancellations we will no longer offer refunds on deposits. Cancellations made 48 hours prior to scheduled appointment will receive a \$25 credit on file to be applied towards a future appointment and will remain active for 3 months.

No Show: We understand that things happen. Try to notify us as soon as you are aware of your circumstance so that we can know how to move forward. All no shows or cancellations made within 48 hours of scheduled appointment will forfeit deposit.

Latecomer Policy: We have a 15 minute grace period. After that you may incur a late fee. After 30mins, your appointment may be cancelled.

Health and Safety Policy: We are aware of the recent lift of the COVID-19 mandate in Texas however we are still highly encouraging wearing a mask if you have not been vaccinated. We will continue to do our part by sanitizing all tools and keeping the salon clean.

Pricing Policy: Our pricing remains very transparent on the website. Please make sure you are clear on pricing before we begin service. The pricing on the website is going to be your final price unless otherwise stated. Please note that the hair is NOT INCLUDED in the service price unless stated in the title. You have the option of purchasing the hair from us or bringing your own. In many cases I will ask that you drop the hair off prior to your service date in order to prep the hair before you arrive.
